***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Independent claims 1, 25 and 27, when considered as a whole, are allowable over the arts of record. Specifically, prior arts of record do not teach or suggest the steps/means for displaying first and second contents of said second file on said primary workstation as a primary workstation overlay displayed on top of said displayed contents of said first file by replacing a pixel of said displayed contents of said first file displayed on said primary workstation with a pixel of the primary workstation overlay so that the primary workstation overlay.

Furthermore, Ohkado does not teach or suggest displaying said second contents of said second file on said secondary workstation as a secondary workstation overlay while not displaying said first contents of said second file on said secondary workstation.

With such limitations, the examiner deems this application in condition for allowance over the prior arts made of record.
